

* 5 Rules
I'm Following
* in 2026 *
(Not negotiable.)

~~WEE~~ *  ~~me~~ * 
Choose people 
~~you~~ who choose you. 

No chasing. 

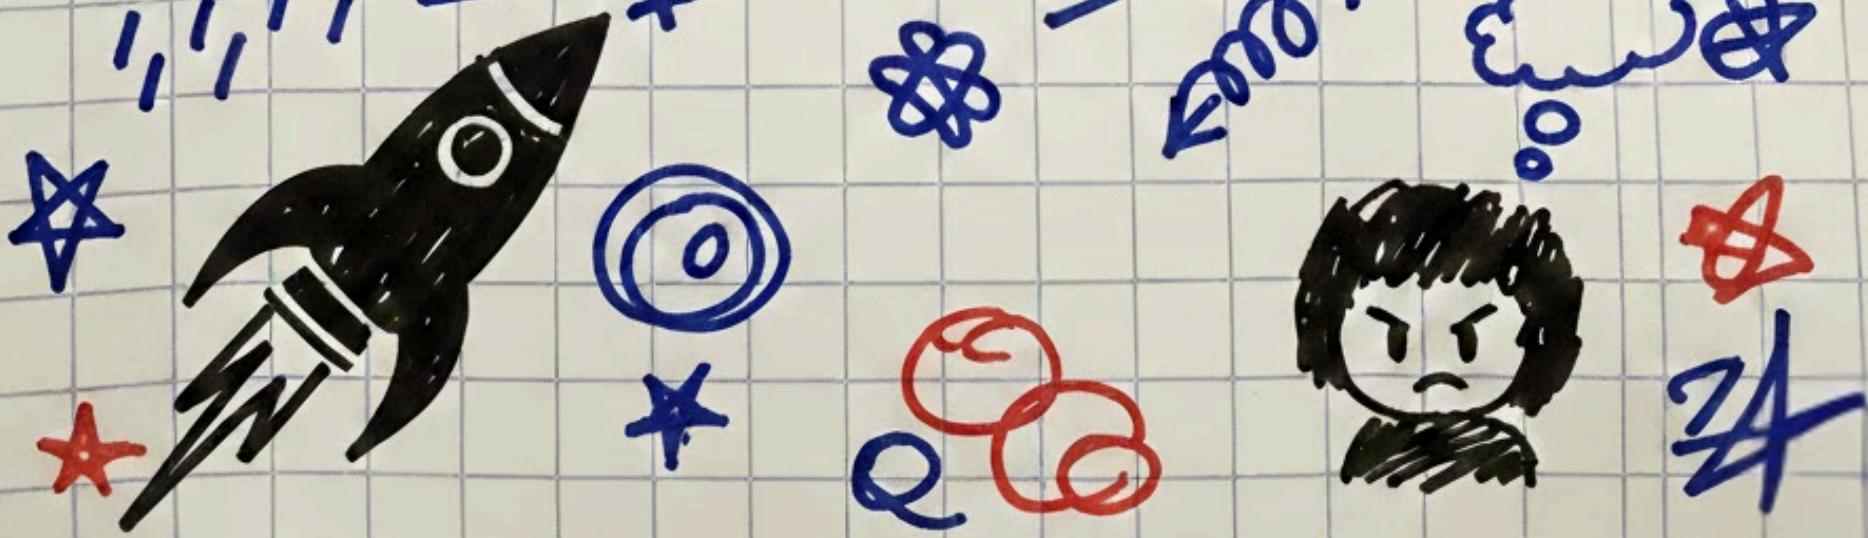

No convincing

Value people
who value you.

Effort is visible.

Respect is loud

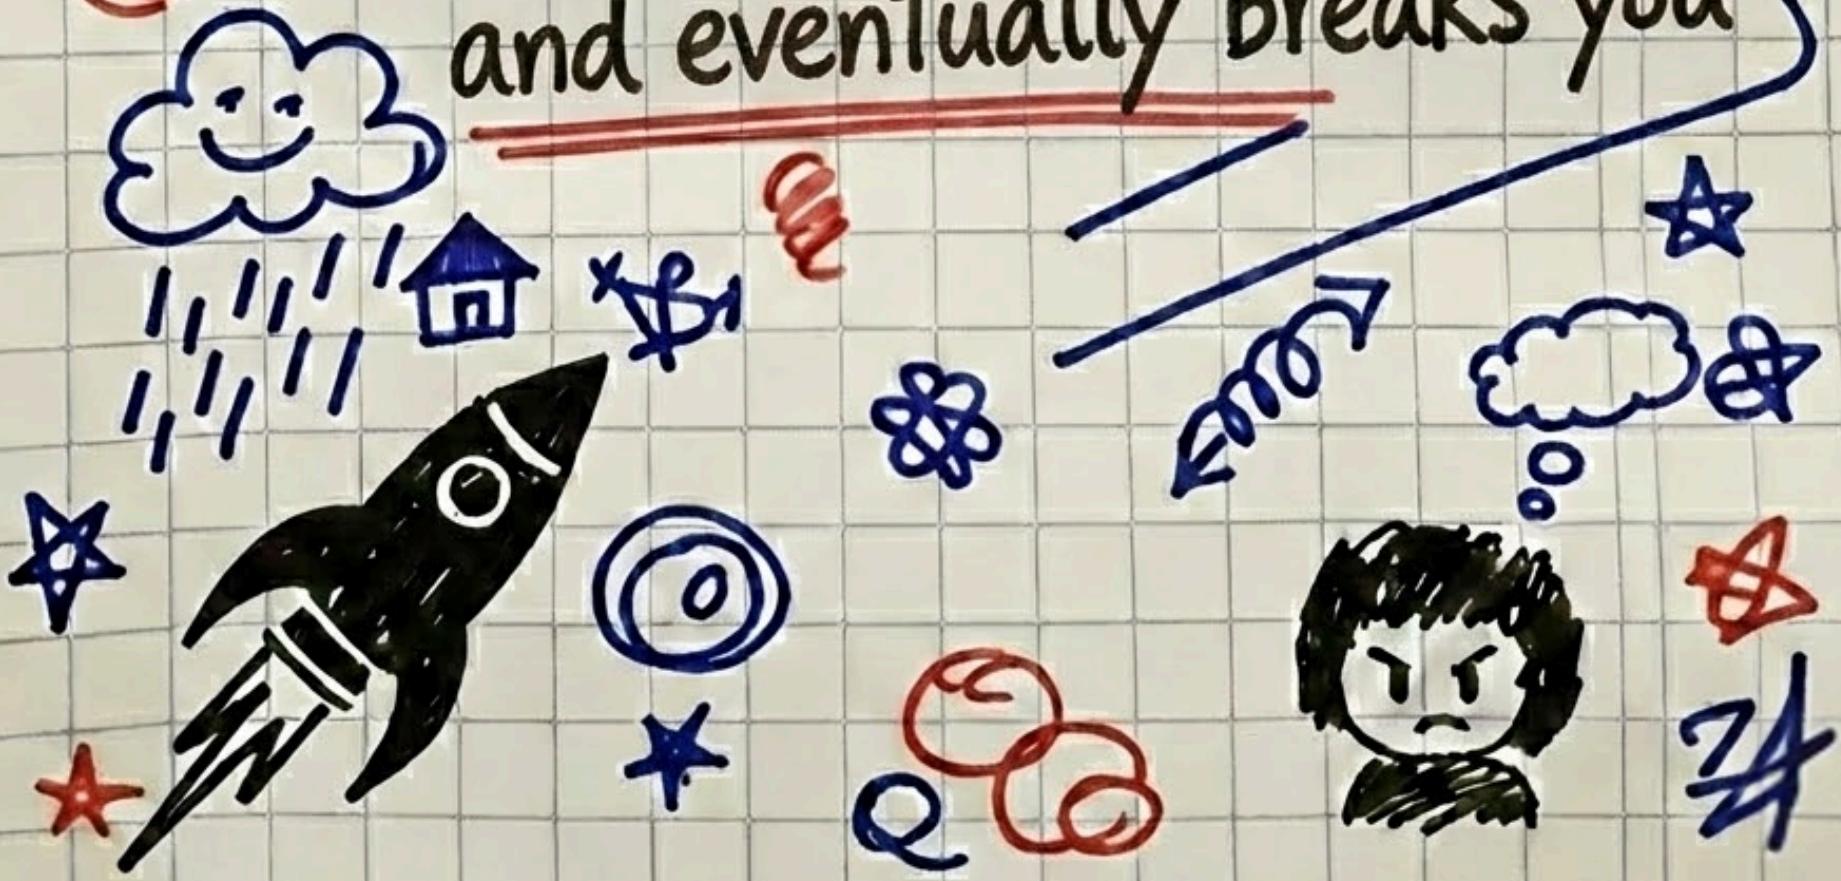

Remove negative
and toxic people.

Anything that drains you

and eventually breaks you

Your peace
comes first.

Protect it. Even if it
means walking away.

2026 is about alignment.

Not attachment.

Not approval.
